ACKNOWLEDGMENTS

All praises to Allah SWT for his guidance throughout the process of research to complete this thesis successfully also praises are upon the greatest Prophet Muhammad SAW who set us in the right way.

I would like to thank Allah who loved me and His messenger (Muhammad Rasulullah) so that I can finish this thesis in time and to you (mama, papa) who love me so much, and also to you fighting with me who always be patient in facing my egoism and to all of my friends that always stand by me. This thesis can be done in time because I feel the powers that I get from people who love me become supports for me to finish this thesis.

I do not think that this paper is perfect because it has many demerits. Therefore, any suggestions and constructive criticism for the perfection of this paper are needed. I hope by this first experience, I can make better paper in the future. Hopefully, this paper can provide benefits to the writer itself and readers.
